The mission of the ABIC Education Awards Program is to provide a level of financial support for Bermudian students to enable them to pursue undergraduate or graduate educational goals in areas related to International Business through the provision of annual scholarships made possible by contributions from the Association of Bermuda International Companies.

This seminar will give you the opportunity to understand how the program selects its candidates and ask any questions in relation to the program. Mr. Roger Paschke, a director of the Scholarship Program, will provide this invaluable information. We encourage all senior students, and teachers, advisers or parents of students interested in pursuing a career in International Business, to attend.

Application forms are available at www.abic.bm. The deadline for all completed applications is Friday, April 1st, 2005.

Please RSVP on/before February 25th—FREE of CHARGE
