

# ICRMC™

International **Cyber Risk Management** Conference

## *Bermuda*

**DEC 4-6, 2019 | HAMILTON PRINCESS & BEACH CLUB**

### **SPEAKING A COMMON LANGUAGE: FROM ON-BOARDING TO THE BOARDROOM**

The carefully curated world-class agenda for the second annual Bermudian edition of the International Cyber Risk Management Conference focuses on tangible takeaways that cyber risk stakeholders can use to strengthen resilience and improve cyber risk communication across their organizations and their supply chains.

**Program Highlights:**

- Interactive IBM Security Tabletop Workshop
- Speaking the Same Language: Bridging the Gaps Between Boards, CISOs, CROs & CLOs
- The CISO Perspective
- Case Studies That Will Keep You Awake at Night
- The Emerging Threat Landscape
- Data, Digital and Regulatory Leaders
- The Evolution of Cyber Capital...and more!
