DIVERSITY • EQUITY • INCLUSION

From the earliest days of Bermuda's emergence as a top international centre, the need for world-class employees was obvious.

In 1977, Bermuda's international companies took steps to create a Bermudian pool of talent to participate in this growing sector. Education was the key and their effort launched what now ranks as one of the largest post-secondary scholarship programs in Bermuda: The ABIC Education Awards.

The Education Awards are sponsored by annual donations from international companies in Bermuda. As the sector has grown, so has the size and scope of the program. It now stands out as the first choice for companies looking to invest in Bermuda's future.

The mission is to enable qualified Bermudians in financial need to pursue their undergraduate or graduate educational goals in areas related to international business. The hope is that they return to the Island to help build the international business sector.

Selection is based on a combination of the applicant's financial need and strong academic ability. The awards are given only to students pursuing higher education at accredited degree-granting colleges and universities. Students in the program have attended universities in Canada, United States, United Kingdom, Ireland, Europe, New Zealand and Australia.

The year the Education Awards were established there were four

recipients. Awards are now given to about 18 – 22 students annually. More than 740 students have been provided with scholarships and many of them now hold leadership positions in international business or in the industries supporting it. In the past 10 years alone, ABIC companies have donated \$6 Million to the program.

The largest corporate contributors to the program each year are designated with "Corporate Named Awards" in the name of the company. This creates a direct connection between the company providing the award and the student. Students are encouraged to treat this as a mentoring opportunity, a chance to obtain guidance and advice from their sponsors.

Glen J. Miskiewicz, CA, CPA was a Canadian qualified Chartered Accountant. He was a member of the Manitoba, Canada and Bermuda Institutes of Chartered Accountants with over 20 years of experience in the financial services industry including 15 years of captive reinsurance experience.

Glen began his professional career in Winnipeg as a Manager with the accounting firm of Doane Raymond. He subsequently moved to Bermuda in 1997 as a Senior Manager at

PriceWaterhouseCoopers (PwC). He moved on to Tyco International in 1999 to become the Director of Finance, Administration, Treasury and Shareholder Services and then joined Roche Services Holdings in 2007 as the Finance Manager and was later appointed President and General Manager of the Bermuda Group in 2014. Glen was a truly gifted individual with outstanding technical abilities combined with a balanced every-day human approach to his peers and his work. He had an amazing mind for facts and figures and made a significant contribution to the various companies he worked for. He was well known for his ability to assimilate large amounts of challenging technical information and then explain it in the simplest terms, to think outside the box and to make difficult strategic decisions.

Glen realized at an early age the value of higher education and worked very hard at attaining this for himself. His accomplishments were attributed to his dedication and self-discipline but largely to his passion for continuous learning. Whether personally or through his senior leadership roles at Tyco and Roche, he was always a huge

advocate for education, giving freely of his time and resources to teach and help others get the tools to learn.

During his career in Bermuda, Glen was a strong supporter of the ABIC Education Awards. To continue Glen's support, an ABIC Education Award has been established in his name to honor his incredible drive, values and accomplishments as a husband, father, friend and businessman, to pay forward his opportunity to study finance/accounting and to continue his generosity in giving back to the Bermuda business community.

Ywione Darrell

OXFORD UNIVERSITY | ECONOMICS FOR DEVELOPMENT

GRETA PETERS POST
GRADUATE AWARD

ABIC

Ywione Darrell is a dedicated scholar who will be pursuing a Masters (MSc) in Economics for Development at the University of Oxford. His educational journey from Paget Primary School on Ord Road to Saltus Grammar School on St. John's Road provided him with early insights into Bermuda's socioeconomic disparities. Ywione's awareness of these inequalities has motivated him to pursue a career in economic research and policymaking. This summer, Ywione will graduate with a First Class Honours Bachelor Degree (BSc) in Political Economy from King's College London. Beyond academics, Ywione is committed to reinvesting in his community. He notably co-founded Longtail Learning, an educational support organization for Bermudian youth. Despite his achievements, Ywione attributes much of his success to his Great Aunt Melinda Williams, Mother Onika Darrell, and Grandmother McLeitha Darrell. Their support, alongside that of the Bermudian public, inspires Ywione to focus his future research on creating actionable solutions to bridge Bermuda's economic divide and ensure a prosperous future for all Bermudians.

The ABIC scholarship enabled me to pursue my bachelor's degree at St. John's University - a top risk management school in New York City, the capital of the world. This past semester, I had the opportunity to travel across Europe, visiting major insurance hubs in Switzerland, England, and Germany. All of which was made possible by a world-class institution that I could not have attended without the support of ABIC.

MIGUEL SIMAS (2022 SCHOLAR)

The ABIC Scholarship that I received in 2021 greatly helped me in pursuing my academic career. It allowed me to go away to school and get my Bachelor's degree. I am forever grateful for the opportunity to have been selected as an award recipient.

SAMARIA PAYNTER, TAX ASSOCIATE AT DELOITTE (2021 SCHOLAR)

Receiving the scholarship was more than just a financial aid; it was a vote of confidence in my potential. It allowed me to focus on my studies and personal growth without the constant worry of tuition fees. I am deeply thankful for the support and belief ABIC had, and continue to have, in my abilities.

CASSANDRA DA PONTE (2021 SCHOLAR)

As one of the first recipients of the Peters Winchell Post Graduate Award, I am forever grateful for what ABIC has done for me and look forward to giving back in any way I can.

DI'NEASHA DESILVA, MBA – STAFF AUDITOR, OFFICE OF THE AUDITOR GENERAL (2022 POST-GRADUATE SCHOLAR)

Earning the ABIC PwC scholarship has allowed me to focus on my studies while alleviating the financial stress

associated with university expenses. Furthermore, I was relieved to know that I would have a secure job after university. I'm excited to start the next chapter of my life at a global accounting firm and begin the CPA program.

MICHAEL SKINNER, ABIC PWC (2022 SCHOLAR)

I am eternally grateful for the opportunities offered to me through the ABIC scholarship program. It has connected me to many other young professionals working towards successful careers. Without the ABIC scholarship I probably would have had to work a part-time job while in school which would definitely have affected my studies. Having such an investment placed in me at such a young age was incredibly uplifting and kept me pushing forward in a challenging program. For all these things I am so very thankful.

EMILY OSBOURNE, ACTUARIAL ANALYST, RSA GROUP CANADA (2015 SCHOLAR)

Receiving the ABIC Education Award helped me vastly in my journey into the insurance industry. Ever since I was young I always dreamed of entering the business world. If it wasn't for the ABICEA my dream would not have been possible. With the cost of university entailing such a huge expenditure I knew the only way I was going to attend was through scholarship funding. Being a recipient of the ABICEA allowed me to commence my career journey by attending Georgia State University. I am extremely grateful to have been selected and to now be a part of such a prominent Alumni group. I extend a huge thank you to ABIC and its member companies for everything that they do to help Bermudian students.

TARE' BRANGMAN, PROPERTY OPERATIONS MANAGER, THE OIL GROUP OF COMPANIES (2013 SCHOLAR)

After working full-time to obtain my Associate Degree from Bermuda College I planned to continue working and complete my undergraduate degree on Island through Bermuda College. As a mature student there were limited scholarship options, however when I saw the advertisement for the ABIC scholarships I submitted my application. When I received the phone call that I was successful it was one of the best days of my life as it gave me the opportunity to travel overseas to complete my Bachelor's Degree at Mount Saint Vincent University (graduated with distinction in 2008) I will always be grateful to ABIC as I was able to secure a job at an accounting firm and am now working for the Office of the Auditor General.

**JENNITA DESHIELDS, CPA, SENIOR ANALYST,
OFFICE OF THE AUDITOR GENERAL
(2006 SCHOLAR)**

The ABIC Education Awards enables young Bermudians to further their education overseas and acquire the skill sets in order to participate and succeed in International Business. As former scholarship recipients working in International Business, we are uniquely positioned to act as ambassadors to positively influence perceptions about Bermudians in the international business arena and perceptions about International Business within our communities. We must continue to tangibly demonstrate by our contributions to the success of our companies, that it's a great investment for international companies to award scholarships to Bermudian students.

**PATRICK TANNOCK, MD AXA XL AND CEO XL
BERMUDA LTD.'S INSURANCE OPERATIONS,
CHAIRMAN OF ABIC (1980 SCHOLAR)**

The moment I received news that I had been awarded the ABIC Scholarship my world felt so much brighter. This scholarship changed my life as well as the life of my parents not only

financially but spiritually. I felt honored that someone recognized my potential and was standing behind me to continue to release my hidden talents. "Your Only Limit is You. Aim High and You Will Succeed."

**ELKEISHA CAISEY, COMPLIANCE SPECIALIST,
CONVERS (2009 SCHOLAR)**

ABIC Education Awards was a blessing to me as the scholarship eased the burden of a costly college education. Tuition increases every year underlying the need for these awards and I am thankful I was chosen as a recipient. Prior to college I had always wanted to enter the world of business, a dream which was made possible through the assistance of ABICEA. I learned the basics of business in college which then led me to an accounting firm, a bank, Bermuda Government and now I'm back at an accounting firm, with a Masters and certifications. I would encourage Bermudian students to prepare themselves early to become eligible for scholarships and to use them as a stepping stone to achieve their dreams.

**KONDWANI WILLIAMS, CAMS, CPA BERMUDA,
DIRECTOR OF REGULATORY AFFAIRS &
COMPLIANCE (1999 SCHOLAR)**

Being awarded an ABIC scholarship allowed me to go to St. John's University, one of the best for Risk Management and Insurance in the US. Since graduation I have had the opportunity to work in London and Bermuda in various lines of business in both the reinsurance and insurance sectors. I have gained a vast amount of knowledge throughout this time and to this day doors are still being opened to me, ensuring a great future ahead.

**NICHOLAS BUTTERFIELD, SENIOR UNDERWRITER,
ALLIED WORLD (2009 SCHOLAR)**

I am truly appreciative of the support from ABIC over the years. ABIC was there from the start of my pursuit of a legal career. In actuality ABIC started me on my journey. I was awarded a scholarship right out of high school and paired with a mentor in the legal profession. ABIC kept in touch while I was abroad studying and have continued to reach out since I've returned to the Island. I am now a lawyer! Thank you ABIC.

**KAISHA WILSON, CORPORATE ATTORNEY,
APPLEBY (2016 SCHOLAR)**

I will forever be grateful to all those who made it possible for me to attend university. ABIC was one of the first and one of the best programs I had the privilege to be a part of.

**WAYNETTE HOLLIS, LEGAL COUNSEL, LIBERTY
GROUP LIMITED (2004 SCHOLAR)**

ABIC's generosity has enabled me to connect with brilliant minds, learn from outstanding professors and above all pursue my academic and professional goals. Their contribution goes far beyond funding an education and serves as a resource hub, providing numerous opportunities and guidance to develop and shine within the IB arena.

**KIMIKA JACKSON, INSURANCE ASSISTANT,
BOWRING MARSH (BERMUDA) LTD.
(2018 SCHOLAR)**

Being awarded a scholarship was everything I needed to jump start my journey to a rewarding career. It not only helped to fund university but it also allowed the opportunity for me to connect and build relationships with industry professionals that were pinnacle in both my personal and professional growth. Bridging the gap,

spreading knowledge and igniting the next generation of enthusiasts are what drives me forward because this is how it started for me.

**KIARA SOMNER, OPERATIONS, GLOBAL ATLANTIC
FINANCIAL GROUP (2009 SCHOLAR)**

Words cannot begin to express the gratitude that I feel towards the sponsors of the ABIC Post Graduate Scholarship. When I began exploring the idea of returning to school I knew that the only way I would be able to take on that challenge was if I had financial help. Initially I was very disappointed to find that most of the scholarships on offer had an age limit which meant that I was ineligible to apply. All that changed when I read about the ABIC Post Graduate Scholarship. Finally there was a ray of hope. I applied and as they say, the rest is history! Returning to school to qualify as a lawyer has changed my life completely. I have a job that I love and a lifestyle that I can honestly say would not have been possible without the generosity of the sponsors of this scholarship. From the bottom of my heart I say Thank You.

**LISA TROTT, LEGAL COUNSEL, BUTTERFIELD BANK
(2011 SCHOLAR)**

The ABIC Education Award was definitely a huge benefit in helping me afford university, and also getting my foot in the door within the International Business sector here in Bermuda. I graduated without a financial burden looming over my head, joined a Big Four audit firm here in Bermuda, while successfully completing the US CPA program. All of this has helped me immensely in my career where I am now a Senior Finance Manager in the Life Reinsurance field. I can 100% say that this is all down to being awarded one of the ABIC Education Awards which helped me unlock my full potential.

**TRAVIS TROTT, SENIOR FINANCE MANAGER,
WILTON RE (2013 SCHOLAR)**

Receiving the ABIC Education Award was the first of many accomplishment post Bermuda College graduation. It was an honor to be chosen by those esteemed persons interviewing me and it reinforced I would one day succeed with the brightest and best if I continued to put in the hard work. This award enabled me to complete summer semesters vs. returning home to work summer jobs, delaying graduation and benefiting scholastic workflow continuity. ABIC and my sponsor company Partner Re's support was tremendous in providing options and opportunity to homegrown talent. "Education is the Passport to Opportunity."
